An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Chris Scott on 07 September 2005.

**Claim 78 was cancelled**

**Claim 79 was cancelled**

**Claim 80 was cancelled**

### ***Allowable Subject Matter***

Claims 1-28 and 71-77 allowed.

Claims 1-28 and 71-75, Reasons for allowance were provided in the office action mailed 28 October 2004.

Reasons for allowance in the 28 October 2004 office action are applicable to claim 76 and 77 since these claims contain previously objected to language placed in independent form. Also, claim 77 appears as though applicant has invoked 35 U.S.C. 112 sixth paragraph means plus function. The manual removal means is defined on page 11, first paragraph, last sentence.

Examiner would like to point out the all of the independent claims positively claim the combination of the oversized plant container and the insert assembly, i.e. claim language that "the container insert thus forming a false bottom in the oversized planter container."

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Andrea M. Valenti whose telephone number is 571-272-6895. The examiner can normally be reached on 7:00am-5:30pm M-Th.
